

BULLMART UNVEILS CAMPIONI AND CAPITANO FROM ITS OFFICIAL INTER COLLECTION

The two collectible editions celebrate Inter's 21st Scudetto and captain Lautaro Martínez, with pre-orders expected to open September 1st.

HONG KONG – August 22, 2026 – **BULLMART** has revealed the first look at Campioni and Capitano, the two editions that make up its upcoming **Nerazzurri** collection with **Inter Milan**, officially licensed in the Greater China Region.

Campioni celebrates Inter's 21st Serie A championship and the two stars above the club's crest. Finished in gold, the edition marks a memorable season that added another title to Inter's history.

Capitano is inspired by Inter captain Lautaro "El Toro" (The Bull) Martínez. Dressed in the club's signature black and blue, the edition carries his name and number 10.

"Winning a championship takes a lot of hard work and persistence. But no one wins one alone. Behind every great sporting achievement are the supporters who believed in it, the captains who led, and the players who kept going. That's Inter's story. We at Bullmart have tried to immortalize it with our latest Nerazzurri collection"

Jerry Huang, Co-Founder of BULLMART

Pre-orders for the **Nerazzurri** collection are expected to open September 1st, with early access reserved exclusively for BULLMART Priority List members. Fans can sign up now at bullmart.com.
